Terence has been supporting the club in a number of different ways behind the scenes and he is excited to continue to help the program grow and build upon where we are at and where we are headed. He is always looking at ways to help the athletes and the program improve. Terence has been extensively involved in the clubs Spring ID skates, Summer Development camps, assisting with the Skill Development Program, Coach Mentorship, and supporting the club, coaches and athletes in a wide variety of ways to help set them up on a path for success.
